POST-DOCTORAL RESEARCHER POSITION

TITLE: Postdoctoral Researcher
NO OF POSITIONS: One (1)
TYPE: 22 month contract
PLACE: University of Cyprus, Nicosia, Cyprus

The "KIOS" Research Center for Intelligent Systems and Networks at the University of Cyprus (http://www.kios.org.cy) is accepting applications for a Post-Doctoral Researcher position for employment in the research programme:

Enhancement of power system integrity and stability using novel sensing technologies

The KIOS Research Center aims at contributing to the advancement of knowledge in the areas of computational intelligence and system design, and apply these methodologies in the monitoring, control and management of large-scale complex systems. The ultimate goal of the KIOS Research Center is to develop advanced engineering tools for the management of critical infrastructures and resources in systems such as telecommunication networks, healthcare systems, electric power systems and distribution networks, and environmental resource management and quality assurance. Furthermore, the KIOS Research Center aims to instigate interdisciplinary interaction and promote collaboration between industry, academia and research organizations in high tech areas.

NECESSARY QUALIFICATIONS:
The applicants must be holders of a Ph.D. in Electrical Engineering or a related discipline from an accredited institution. Previous research experience in electric power engineering, control systems, or in a related area is desired. Furthermore, the rules of the specific research project dictate that the candidates have received their doctoral degree between June 2006 and June 2011, while during the last two years they should not have been employed in Cyprus.

EMPLOYMENT TERMS:
This position is on a contract basis for a period of twenty two (22) months. The monthly salary will be €2500. Employee contributions to social security etc. will be covered by the gross salary of the employee. There is no provision for 13th salary or medical and pharmaceutical insurance.

Interested applicants are invited to submit their application in two copies, including a detailed curriculum vitae in Greek and/or in English, a description of their academic and research experiences and the names and addresses of at least two University Professors from whom references may be requested. Applications which will not contain two copies of the documents WILL NOT BE CONSIDERED.

For more information, please contact Dr. Elias Kyriakides, phone: 22892291, e-mail: elias@ucy.ac.cy.

All application material must be submitted to:

Human Resources Service
University of Cyprus
Council/Senate Anastasios G Leventis Building
P.O. Box 20537
1678 Nicosia, Cyprus

by Friday, 15th of March 2013, 2:00 p.m., by hand. Alternatively, applications can be send by post, but will only be considered valid provided that the post-office stamp date indicated on the envelope does not exceed the 15th of March 2013, and that it reaches the Human Resources Service by the 22nd of March 2013, the latest. The sole responsibility will be upon the interested applicant.
