16:15 - 16:30			

## University of Cyprus

The University of Cyprus, founded in 1989, is a young and dynamic academic institution of national and international recognition. Focused on excellence in education, research and innovation, the University of Cyprus is renowned for its high-impact research profile and quality of teaching.

Today, it is ranked among the top 100 young universities (under 50 years) and #401-500 worldwide by the Times New Higher Education Rankings. With around 7.000 students, 8 Faculties, 22 Departments, 10 Research Units and 3 Centers of Excellence, it is a rapidly expanding university and the biggest employer in Cyprus for young researchers.

University House,  
Anastasios G. Leventis

## KIOS Center of Excellence

The KIOS Research and Innovation Center of Excellence (KIOS CoE) operates within the University of Cyprus and currently is the largest R&I Centre of Excellence in the Republic of Cyprus with 50+ active EU and national active projects, employing more than 230 employees. The Center collaborates strategically with Imperial College, London, as well as with a plethora of local and international research organizations and other stakeholders.

October 2025

## Transportation

The closest airport to the city of Nicosia is the **Larnaca International Airport**, which is one of the two **legal** points of entry into the Republic of Cyprus (along with the Paphos International Airport).

Entry into the territory of the Republic of Cyprus via any other airport in which the Government of the Republic does not exercise effective control (Turkish occupied areas) is illegal. Cyprus is NOT a member of the Schengen area, so you would need an EU ID or a passport to get into the country.

### From Larnaca/Paphos International Airport to Nicosia:

- Kapnos Airport Shuttle (<https://kapnosairportshuttle.com/>)
- Taxi (≈€60.00 from Larnaca Airport, ≈€160.00 from Paphos Airport)

### From hotel to University of Cyprus:

- Cyprus Public Transportation - Buses (<https://www.publictransport.com.cy/>)
- Taxi (Info [here](#))
- Bolt services mob application (<https://bolt.eu/el-cy/cities/nicosia/>)

**Venue: University of Cyprus Campus  
Faculty of Engineering Building 10,  
Room B102 "Elias Kyriakides"**

University of Cyprus  
1 Panepistimiou Avenue  
2109 Aglantzia, Nicosia

**Note:** In Cyprus, the standard electrical sockets are of Type G, which is the same as those used in the UK. These sockets have three rectangular pins in a triangular pattern. Therefore, visitors from countries that do not use Type G sockets will need an adapter to plug in their devices.

## About Nicosia

Nicosia is the capital and largest city of the Republic of Cyprus, a sophisticated and cosmopolitan place, rich in history and culture, combining its historic past with the amenities of a modern city. It has a number of museums and art galleries, Byzantine churches and a number of mediaeval and neo-classical buildings while the narrow streets retain the romantic atmosphere of the past.

Nicosia enjoys a Mediterranean climate with long dry summers from mid-May to mid-October and mild winters from December to February, which are separated by short autumn and spring seasons. In March, the average temperature ranges from 19-20 °C during the day to 7-10 °C during the night in Nicosia. See [Cyprus Weather](#) for more details.
