

6th KIOS Graduate Training School on Intelligent Systems & Control

2 - 5 September, 2024

Room LRC012 (UCY Library)

Time	Monday, Sept 2	Tuesday, Sept 3	Wednesday, Sept 4	Thursday, Sept 5
9:30 - 11:00		Prof. Jalal Kazempour Electricity Market Design and Bidding Strategy	Prof. Awais Rashid Cyber Security of Industrial Control Systems	Prof. Florian Dörfler Data-Enabled Predictive Control of Autonomous Energy Systems
11:00 - 11:30		Coffee Break		
11:30 - 13:00		Prof. Jalal Kazempour Electricity Market Design and Bidding Strategy	Prof. Awais Rashid Cyber Security of Industrial Control Systems	Prof. Florian Dörfler Data-Enabled Predictive Control of Autonomous Energy Systems
13:00 - 14:15	Lunch Break			
14:15 - 14:30	Registration	Registration	Registration	
14:30 - 16:00	Prof. Jalal Kazempour Electricity Market Design and Bidding Strategy	Prof. Awais Rashid Cyber Security of Industrial Control Systems	Prof. Florian Dörfler Data-Enabled Predictive Control of Autonomous Energy Systems	
16:00 - 16:30	Coffee Break			
16:30 - 18:00	Prof. Jalal Kazempour Electricity Market Design and Bidding Strategy	Prof. Awais Rashid Cyber Security of Industrial Control Systems	Prof. Florian Dörfler Data-Enabled Predictive Control of Autonomous Energy Systems
