

Cleantech: From Concept to Test-Before-Invest to Piloting

September 23, 2025,
10:30-13:30

Room 105 (UCY Campus,
Social Facilities Center 03)

AGENDA

Session 1: FINEX Overview & Helpdesk

10:30 – 10:45 | Welcome & Introduction

10:45 – 10:55 | How FINEX can help Cleantech & Deeptech innovators

10:55 – 11:00 | The FINEX Helpdesk & Other supporting tools

Session 2: Experimentation Spaces and Support Actors

11:00 – 11:30 | Overview of the national experimentation spaces including use cases in Cleantech innovation support

11:30 – 11:35 | Experimentation and support action: Best practices

11:35 – 11:40 | FINEX experimentation spaces Catalogue

Session 3: Matchmaking

11:40 – 12:00 | Matchmaking Session

Live completion of the matchmaking tool to facilitate needs mapping and potential matching to experimentation spaces

12:00 – 12:15 | Test-Before-Invest: How DiGiNN gives you the opportunity to finance the piloting of your innovation

12:15 – 12:45 | Guided Tour of KIOS Facilities

Explore the labs and experimentation spaces with technical experts on-site to explain capabilities.

12:45 – 13:30 | Networking Lunch
